

## You Made All Things

Everything is Yours  
You made all things  
You placed the stars in space  
Designed the universe  
Made the heavens and the earth  
And all that dwells within them  
Your works are displayed for all to see  
Your grand designs exhibited in the skies  
Everything is Yours  
You made all things  
Designed the universe  
Made the heavens and the earth  
Such wonderful works of art  
Crafted by Your hands  
Painted in the skies  
On display for all to see

Everything is Yours  
You made all things  
Yet Your Masterpiece  
Your most treasured possession  
Is those that You formed  
Knitted together  
With intricate design  
They are Your finest work of art  
Everything is Yours  
You made all things  
Yet You formed us  
Made us with Your hands  
And we are Your cherished children  
Your most treasured possession  
So wonderfully loved  
Your finest work of art

Ephesians 2:10
