1) God's Not Hiding

Romans 1:18-20

*“The wrath of God is being revealed from heaven against all the godlessness and wickedness of people, **who suppress the truth** by their wickedness, since what may be known about God is plain to them, because **God has made it plain to them**. For since the creation of the world God’s invisible qualities—**his eternal power and divine nature**—have been clearly seen, being understood from what has been made, so that people are without excuse.”*
